Ok. Thanks. I'll reach out to them. Can you please refund the application fee? Thanks.

Oh, that changes things. I thought it was seven passengers. You don't need to register with us. We only regulate vehicles of seven passengers or more. You can still register with us if you'd like, but it's not a requirement. Let me know if you would like me to refund your application fee, and you should be registering with the Department of Licensing "for-hire" division. They're at 360-664-6466. Sorry about that, we should have clarified earlier. Let me know if you have any questions, or if you'd like to speak to one of our safety specialists who can explain the difference between what we do when you're registered with us vs. what the DOL does.

Hello, one quick question one of our inspectors pointed out. You put the seating capacity of your vehicle at 7 on your application. Was that including the driver? Or seven passengers not including the driver?

Thanks
