Re: Contract between Lehman Enterprises, Inc. and Palmer's Mutiny Bay Homeowners' Association

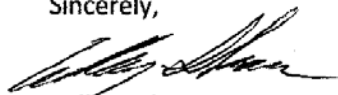

Dear Mr. King:

Enclosed is a copy of the contract between Lehman Enterprises, Inc. and Palmer's Mutiny Bay Homeowners' Association for the water main extension and consolidation located within Island County, and serviced by WB Waterworks, DOH ID #466703. This is being done due to the current source of water for Palmer's Mutiny Bay Homeowners' Association lacking in quantity and quality. Lehman Enterprises, Inc. is capable and willing to supply potable water of a higher quality than the current source is able to provide.

This contract has been voted on and approved by the Palmer's Mutiny Bay Homeowners' Association, and signed by the president, Ron Sanford. It has also been signed by the president of Lehman Enterprises, Inc. Adam Lehman.

Please do not hesitate to call me at 360-661-7781 if you have any questions.

Sincerely,

Culley Lehman
