Re: Ed's Disposal, Inc.- G-110 General Rate Filing

On behalf of Ed's Disposal, Inc.- G-110 General Rate Filing I am filing Tariff #5 to be effective August 1, 2017.

Ed's Disposal, Inc. last general rate filing was effective August 1, 2005. An interim rate increase was approved February 1, 2017 for increased disposal fees.

This rate filing will generate approximately \$179,000 in overall revenue if approved by the Commission. The filing represents an approximate 19.5% increase in revenue.

I am enclosing Tariff #5, an Excel workbook with the company general ledger, pro forma, and other accounting working papers. PDF copies of the Excel Workbook and other Excel Workbooks will be filed with the Commission under separate cover.

The proposed residential and commercial customer notice is also included in this transmittal.

A copy of this letter is being sent to Robert E. Koch, Chairman of the Franklin County Board of Commissioners.

If there are any questions please contact me.

Yours truly,

Weldon Burton
