Dear Records-

Please file the email below and its attachment under Docket No. 170791.

I will be sending a second document for filing under this Docket No.

Subject: Comments on Columbia Grid Draft 2017 System Assessment

Paul-

Please include the attached letter as comments on the ColumbiaGrid Draft 2017 System Assessment.

The attached letter includes comments and related questions on that Draft.

On behalf of many residents that live in the Puget Sound Area that are interested in Transmission Line decisions in their area, we look forward to getting responses to our comments/questions.

Thank you.
