RE: Major Event Report—October 21st and 22nd, 2017

Pacific Power & Light Company (Pacific Power or Company), a division of PacifiCorp, is claiming a major event exclusion for the outages that affected its Yakima service area on October 21st and 22nd, 2017.

The basis for exclusion is the number of customer minutes lost in a 24-hour period. Please find attached the details regarding the major event including costs incurred, restoration resources, number of customers off supply, customer minutes lost, and SAIDI, SAIFI, and MAIFI figures.

The Company will exclude outage information for this event from its network performance reporting and from customer guarantee failure payments.

Please direct questions to Jason Hoffman, Regulatory Projects Manager, at (503) 331-4474.

Sincerely,

 /s/
