**Re: Docket No. UG-171229 (Advice No. 2017-29) – Do Not Redocket
Natural Gas Tariff Filing - Filed Electronically**

Dear Mr. King:

Puget Sound Energy (“PSE”) hereby submits in connection with Docket No. UE-171229 the following tariff sheet to replace the tariff sheet accompanying PSE’s December 29, 2017 filing which was submitted under PSE’s Advice No. 2017-29.

This filing includes the following portion of PSE’s WN U-2, tariff G for natural gas service

11th Revision of Sheet No. 1129-A - Schedule 129 – Low Income Program (Continued)

The purpose of this substitute tariff filing is to update, at the request of the WUTC Staff, the reference of Department of Community, Trade, and Economic Development to Department of Commerce, which is the current name of the state agency.

This substitution is provided for in WAC 480-80-111(a) as the revisions address concerns of the Commission with the pending tariff sheet. These tariff changes do not increase recurring charges or restrict access to services. Posting of the proposed tariff change, as required by law and the Commission’s rules and regulations, is being completed immediately prior to or coincident with the date of this transmittal letter through web, telephone and mail access in accordance with WAC 480-90-193.
