Item 100 – Residential Service – Monthly Rates (continued from previous page)

Note 4: Customers will be charged for service requested even if fewer units are picked up on a particular trip. No credit will be given for partially filled cans. No credit will be given if customer fails to set receptacles out for collection. (N)

Note 5: For customers on automated service routes: The company will assess roll-out charges where, due to circumstances outside the control of the driver, the driver is required to move an automated cart or toter more than 5 feet but less than 25 feet in order to reach the truck. The charge for this roll-out service is: \$ 1.20 per cart or toter, per pickup. Over 25 feet, the charge will be the charge for 25 feet, plus \$1.15 per increment of 25 feet. (N)

Note 6: The charge for an occasional extra residential bag, can, unit, toter, mini-can, or micro-mini can on a regular pickup is:

Type of receptacle	Rate per receptacle, per pickup
32-gallon can or unit	\$ 4.00
Mini-can	\$ 4.00
Micro-mini can	
65-gallon toter	\$8.00(N)
95-gallon toter	\$12.00(N)
Bag	\$ 4.00
Other:	

Note 7: Customers may request no more than one pickup per month, on an "on call" basis, at \$ 8.69 per can/unit. Service will be rendered on the normal scheduled pickup day for the area in which the customer resides. Note: If customer requires service be provided on other than normal scheduled pickup day, rates for special pickups will apply.

Note 8: Toter service is required on routes utilizing semi-automated or automated collection equipment. Mini can and one can service is available for those customers not requiring the capacity of a toter. Toter service is available only on routes serviced exclusively by semi-automated or automated collection equipment. There is a one month minimum charge for new toter service.

Item 100 – Residential Service – Monthly Rates (continued)

Curbside recycling provisions shown on page 25 apply only in the following service area:
The portion of Chelan County that lies within our service area. (N)

Following is a description of the recycling program (type of containers, frequency, etc.). Curbside collection of designated recyclable materials is provided on an every other week basis to all customers who sign up for this service within our service area of Chelan County. Each customer is provided with one 96-gallon cart. The customer is requested to place all properly prepared accepted recyclables into the 96-gallon cart provided. Customers will be provided with information on the type of materials accepted for recycling and the manner to properly prepare them for recycling. Customers will be notified of any changes to the materials accepted for recycling due to changes in the commodity markets. (N)

Special rules related to recycling programs:

Pick-up will be refused if cart contains any non-acceptable contaminants, trash, or yard debris. Customers may obtain a current listing of acceptable recyclables and non-acceptable items upon request. It is the customer's responsibility to properly prepare the acceptable recyclables in accordance with cart instructions and educational material available for review. Acceptable items that are not properly prepared for recycling are considered contaminants and will cause pick-up to be refused. (N)

NO GLASS OF ANY KIND WILL BE ACCEPTED IN THIS PROGRAM. (N)

Minimum monthly garbage service consisting of 1-45 gal cart is required to participate in the curbside recycling program. (N)

There is a minimum service period of six months for curbside recycling services. (N)

A recycling cart removal/termination fee of \$27.70 will be assessed to customers whose service is terminated or discontinued for more than 60 days. The above charge shall apply regardless if cart is physically removed. (N)

Cart replacement charge \$60.00. (For lost carts) (N)
