RE: Tariff Submittal, Tariff Number 23, for Murrey's Disposal Co., Inc./Olympic Disposal, G-9.

Dear Mr. Johnson:

Our Company was notified by Jefferson County that the tipping fee in Jefferson County will increase from \$153.43 to \$157.27 per ton, a 2.5% increase, per Ordinance No. 06-1125-13, page 5, Fee Indexing, attached. This will increase revenue and expense for the residential customers by approximately \$6,524 (1%); commercial customers by \$8,593 (1.2%); and drop box service by \$4,161 (2.5%) for a 12-month period. There are approximately 3,300 residential, 575 commercial and 13 drop box customers affected by this change.

The last general rate increase for Olympic Disposal was approved by the Commission, June 1, 2011.

As instructed by the UTC staff during the audit of TG-132228 these audited calculations have been updated with the increase in tipping fees, no changes to tonnage or customer count have been made.

Attached are revised pages as well as supporting documentation to justify this increase. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective January 1, 2019. Pursuant to WAC 480-70-271(2) (iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.
