RE: Tariff Submittal, Tariff Number 13, Mason County Garbage Co., Inc., Certificate Number G-88.

Dear Mr. Johnson:

Our company has been notified that the tipping fee in Mason County will increase from \$96.16 to \$99.52 per ton, a 3.5% increase, effective January 1, 2019. We project this will increase revenue for residential service by \$17,600, 1.2%; for commercial service by \$9,300, 1.7%; and drop box service by \$15,700, 3.5% for a 12-month period. There are approximately 9,000 residential, 600 commercial and 50 drop box customers affected by this change.

The last general rate increase approved by the Commission was effective April 1, 2013.

As instructed by the UTC staff during the audit of TG-132227 and TG-132228 these audited calculations have been updated with the increase in tipping fees, no changes to tonnage or customer counts have been made.

Attached are revised tariff pages and supporting documentation containing the increased rates.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective January 1, 2019. Pursuant to WAC 480-70-271(2)(iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.

If you have any questions regarding this filing, please contact me at (360) 695-4923 or via email at [heatherg@wcnx.org](mailto:heatherg@wcnx.org).

Sincerely,

Heather Garland
