RE: Revised Commodity Credit, G-12 Tariff Number 26 for Rabanco Ltd (dba Rabanco Companies, Sea Tac Disposal).

Dear Mr. Johnson:

Please find attached revised tariff page revisions for G-12 Tariff Number 26 for Rabanco Ltd., (dba Rabanco Companies, Sea Tac Disposal). This proposed change in the tariff reflects the change in the commodity credit for residential customers in the Service Areas in Appendix A and Appendix B from a credit of \$0.16 to a debit of \$0.14 per month and for multifamily customers, from a credit of \$0.02 to a \$0.00 per yard. Due to the volatility of the current recycling market conditions, Republic Services is requesting a waiver from WAC 480-70-351 (2) and requesting to use the value of the most recent six-month historical period in estimating the revenue for the next six months. Also attached are the accounting work papers to support the rates updates as stated in the tariff pages. We are asking that the rates become effective February 1, 2019 – July 31, 2019

If you have any questions please don't hesitate to contact me.

Sincerely,

Rick Waldren
