RE: Commodity Price Adjustment for Tariff Number 9, Harold LeMay Enterprises,
Inc. d/b/a Pierce County Refuse, G-98

Dear Mr. Johnson:

Attached please find revised pages for Tariff Number 9, as well as supporting documentation for the commodity price adjustment (CPA).

For Pierce County Refuse the CPA will increase from a debit of \$2.56 to a debit of \$2.08 (19%) per residential customer per month. This change affects approximately 52,000 customers in Pierce County.

For residential customers on Joint Base Lewis- McChord, also known as "EQR," the CPA will increase from a debit of \$2.32 to a debit of \$1.81 (22%) per unit per month. This change affects approximately 4,900 customers on Joint Base Lewis-McChord.

Due to the volatility in the recycling commodity markets we are hereby requesting a waiver from WAC 480-70-351(2). The calculation uses the most recent six-month historical period to estimate the recycling commodity revenue/commodity price adjustment.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the revised commodity price adjustment will go into effect on March 1, 2019. Pursuant to WAC 480-70-271(2)(a)(vi), affected customers will receive notification of this change on the billing reflecting the revised rates.

If you have any questions regarding this filing, please contact me at (360) 695-4923, or via email at heatherg@wcnx.org.

Sincerely,

Heather Garland
