SCHEDULE NO. 6

(N)

CAPITAL IMPROVEMENT SURCHARGE- Silver Lake Water

Availability

This schedule is available in all Water Service Areas served by the Utility and at Utility's option and capability to maintain Department of Health standards of quantity and quality.

Applicable

Applicable to any connection or customer of the system Silver Lake Water system.

Conditions

The charge for this service is not subject to cancellation or reduction for seasonal or temporary periods, unless seasonal rates apply per this tariff. This charge will be the monthly minimum bill for this class of service and will be in addition to other charges as provided in this tariff.

This surcharge is to fund the installation of capital improvements to complement the existing water system. This surcharge is the result of a desire to increase the water quality in the system and reduce the amount of iron and manganese causing aesthetic concerns by the customers.

Surcharge to expire **04 30, 2024, or upon recovery of \$45,757.50** initial cost of installation of treatment system. This initial surcharge may be paid (within 90 days of effective date) in a lump sum payment of \$212.59 per customer.
