RE: Tipping Fee Increase

Torre Refuse and Recycling

To provide solid waste collection with sufficient time to prepare and submit tariffs and rate filings for public comment and commission approval Ferry County is providing the seventy-five days' notice (RCW 70.95.212) of a change in tipping fees at the transfer station.

The Board of Ferry County Commissioners approved and voted to raise the tipping fee at the Torboy Transfer Station. The tipping fees will increase from \$163.78 to \$166.29 per ton. The minimum charge will remain at \$12.00/140 pounds at the Torboy Transfer Station effective June 3, 2019

If you have any questions or concerns regarding this increase, please feel free to contact me at (509) 775-5225 ext. 4110.

Sincerely,

  
Leanne Hawley, Coordinator  
Ferry County Public Works  
Solid Waste Division
