Subject: Waste Management – Brem-Air, a division of Waste Management of Washington, Inc.(G-237);
Tariff #20

Dear Sirs:

Enclosed herein, please find revised pages, 2, 22, 23, 27, 32, 33, 34, and 35 to the above-referenced tariff. These proposed revised tariff pages contain increased rates for residential and commercial garbage collection services. The requested rate increase is necessary in order to recover increased disposal costs at the Olympic View Transfer Station (OVTS). The Kitsap County Board of Commissioners approved the increase in disposal fees from \$75.00 to \$80.00 per ton to become effective on July 1, 2019. The increased rates, if approved by the commission, would approximately increase Company revenue by \$340,000, and residential and commercial garbage rates by 2.2% and 3.4%, respectively. The effective date of these proposed tariff revisions is July 20, 2019.

Enclosed for your review are our accounting work papers, which reflect the results of operations from our last general rate filing approved in TG-121822 and as adjusted by the 2013, 2015, 2017 and 2018 disposal fee increases in TG-130596, TG-143718, TG-161170 and TG-180383, respectively. There have been no significant changes in the operations of Waste Management – Brem-Air since this prior case.

Also enclosed for your review and consideration is an LSN requesting that the new rates become effective July 1, 2019 and a copy of the letter from the Kitsap County Department of Public Works notifying us of the increase in disposal fees. Upon approval by the Commission of this filing, affected customers will be notified of this rate increase on their next regularly scheduled billing.

Very truly yours,
