The State of Washington to Paulino Jose Gonzalez and Veronica Luna d/b/a Universal Moving:

You are commanded to appear before the Washington Utilities and Transportation Commission at the special proceeding referenced in the attached Order and Notice of Hearing at 9 a.m., on August 21, 2019, in the Commission's Hearing Room, 621 Woodland Square Loop, Lacey, Washington, and to remain there until discharged by the Commission, to give testimony and evidence under oath as to the operations of Universal Moving. Paulino Jose Gonzalez and Veronica Luna, or a representative, shall appear at the time and place set forth above unless the Executive Director and Secretary of the Commission, by notice of hearing, specifies a different time and place. This is ordered pursuant to the subpoena powers granted in RCW 34.05.446, RCW 80.01.060(1) and RCW 81.04.510.

You are further commanded to bring with you the following documents:

For a company seeking to avoid further enforcement action by ceasing unpermitted operations and leaving the industry, you must bring sufficient documentation or records to demonstrate closure of your unpermitted solid waste hauling business. In the case of those whose entire business involves solid waste hauling, those papers might include documentation from (1) the Secretary of State's office for dissolution of your business; (2) the Department of Revenue for cancellation of your business license; (3) your Internet service provider (or equivalent) showing cancellation of a website or email account; (4) your telephone provider showing cancellation of your corporate telephone number; (5) proof of cancellation of your company advertising; and (6) sales receipts for any company equipment sold in the process of shutting down and closing. For those companies who will continue with a business but only close that portion involving solid waste hauling, similar documentation (*e.g.*, changed website or advertising) will prove most helpful to the presiding officer. Should you choose to apply for a permit in

advance of the hearing, and the Commission deems you eligible to receive a temporary permit, you may present that information at the hearing.

In lieu of producing these documents at the proceeding, you may mail a copy of the subpoenaed documents to Kathryn McPherson, Compliance Investigator, Consumer Protection, Washington Utilities and Transportation Commission, P.O. Box 47250, Olympia, Washington 98504-7250, together with your certification that the items produced are true and correct copies of the subpoenaed documents. If you choose to produce the subpoenaed documents by mailing them rather than producing them at the proceeding, you must still appear at the proceeding and the subpoenaed documents must be received at the Commission before the proceeding or you will not have complied with this subpoena.

DATED at Lacey, Washington, and effective July 8, 2019.
