

**Clean Energy Implementation Plans and Compliance with the Clean Energy  
Transformation Act Rulemaking**

**Docket UE-191023**

January 16, 2020

Proposed Schedule

---

This is a proposed schedule for the Clean Energy Implementation Plan and Compliance with the Clean Energy Transformation Act rulemaking (CEIP and Compliance with CETA). It may be revised based on changes in the development of this rulemaking, Commission workload, subsequent legislative changes, or other reasons.

- January 16, 2020 - UTC files CR-101 and Notice of Opportunity to Comment
- February 28, 2020 – Deadline for stakeholder comments on CR-101 Notice
- March 17, 2020 – Workshop on the incremental cost of compliance with CETA. The workshop will be held at the UTC
- Mid-April 2020 – UTC issues first discussion draft rules
- Mid-May 2020 – Deadline for stakeholder comments on first discussion draft rules
- Beginning July 2020 – UTC issues second discussion draft rules
- Beginning August 2020 – Deadline for stakeholder comments on second discussion draft rules
- Mid-September 2020 – UTC issues CR-102, proposed rules for adoption
- Mid-October 2020 – Deadline for stakeholder comments on CR-102 proposed rules
- Late-October 2020 – CEIP and Compliance with CETA rulemaking adoption hearing
- Mid-December 2020 – UTC issues order adopting CEIP and Compliance with CETA

The Commission allows at least 30 days for stakeholders to submit comments on discussion draft rules. The Commission will also hold workshops during the first half of the year to discuss specific issues in greater detail. The Commission will issue Notices in Docket UE-191023 in advance of the workshop to notify stakeholders of the topic and date of discussion. If you wish to receive notifications then you may contact the Commission's Records Center by telephone at (360) 664-1139 or by email [records@utc.wa.gov](mailto:records@utc.wa.gov) and ask to be included on the mailing list for Docket UE-191023.
