Northwest Natural Gas Company, dba NW Natural (NW Natural or the Company), files herewith a correction to its original cover letter in this docket. On December 27, 2019, the Company filed revisions to Schedule G and in the cover letter incorrectly referred to that filing as a compliance filing to docket UG-181053, NW Natural's most recent general rate case. The Company hereby corrects the original cover letter by clarifying that pursuant to WAC 480-07-885, the proposed revisions to Schedule G docketed as UG-200011 constitute a subsequent filing to implement general instructions in the final Order 06 in docket UG-181053 and are not a compliance filing.
