Re: Frontier Communications Northwest, LLC Tariffs – initial filing

Dear Director Johnson:

Frontier Communications Northwest, LLC d/b/a ZiPLY Fiber, hereby submits the attached price lists and tariffs (collectively, the “Tariffs”) to the Washington Utilities & Transportation Commission.

The Commission approved transfer of control of Frontier Communications Northwest, LLC (“FCN Washington”) to Northwest Fiber, LLC (“Northwest Fiber”) in Docket UT-190574. Accordingly, Northwest Fiber requests that the Commission accept these Tariffs for filing with an effective date of July 31, 2020.

These new Tariffs reflect the material terms and conditions of the current Tariffs and Price Lists of FCN Washington. In preparing the Tariffs, Northwest Fiber has refrained from making substantive changes to rates, terms and conditions of existing services. The changes in the Tariffs primarily reflect new contact information, new names for certain services, the entities providing services and the post-closing ownership of Citizens. For example, the Tariffs reflect that, FCN Washington’s parent company is Northwest Fiber, LLC d/b/a ZiPLY Fiber, rather than Frontier Communications Corporation. The Tariffs remove certain obsolete references, eliminated unused pages, make minor corrections to the text, and include other clean-up edits.

Should you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Jessica Epley
Government & External Affairs Director
