

WASHINGTON WATER SERVICE COMPANY

November 24, 2020

Mark L. Johnson, Executive Director & Secretary
Washington Utilities and Transportation Commission
PO Box 47250
Olympia, WA 98504-7250

Dear Mr. Johnson;

Enclosed is a copy of the contract between Gig Harbor Capital Investors, LLC and Washington Water Service Company (WWSC) to extend the existing water main and the installation of 2 service connections to provide water utility service. This site is on parcel # 0221217020 in Pierce County, which is serviced by Point Evans Water System, DOH ID #68065U. This agreement has been signed by Jeff Hogan and countersigned by Matthew D. Brown, the General Manager of WWSC.

Estimated costs identified on Attachment A are \$29,200.00. To this extent, a full payment of \$29,200.00 has been received, as attached.

Upon completion and certification of the extension, Gig Harbor Capital Investors, LLC will provide to WWSC a Bill of Sale which will transfer ownership of the facilities to the company.

Please do not hesitate to call me at 253-851-4060 ext. 1105, if you have any questions.

Sincerely,

A handwritten signature in dark ink that reads "Chakweva". The signature is fluid and cursive, with a long, sweeping tail on the final letter.
