Re: Docket UT-21009, Revised Advice No. 2021-1 for Frontier Communications Northwest, LLC dba ZiPLY Fiber - Do Not Re-docket

Dear Director Johnson:

The documents furnished to the Commission on January 6, 2021 inadvertently contained an error in the Camas – Washougal Exchange. Enclosed for filing please find a revised map for this exchange to be filed in the Frontier Communications Northwest, LLC dba ZiPLY Fiber's Tariff WN U-7, Exchange Maps tariff as 1st Revised Sheet 19, Cancelling Original Sheet 19. This filing is submitted with an effective date of February 5, 2021.

This filing is being made to display actual service territory which reflects actual ZiPLY Fiber customer locations which was previously incorrectly depicted as unserved territory and/or outside the currently depicted exchange boundary. The correction was discovered as a result of comparing the FCC's Study Area Boundaries with our internal network records and the filed exchange boundary maps found in Tariff U-7.

I, Jessica Epley, in compliance with WAC 480-80-123, certify that I have the authority to issue tariff revisions on behalf of Frontier Communications Northwest, LLC dba ZiPLY Fiber. If you have any questions regarding this filing, you may contact me at (503) 431-0458.

Sincerely,

A handwritten signature in black ink, appearing to read "JEpley".
