Subject: Waste Management of Ellensburg, a division of Waste Management of Washington, Inc. (G-237);  
Tariff # 12

Dear Mr. Johnson

:  
Enclosed, please find revised pages 2, 22, 23, 24, 29, 31, 32, and 34 to the above-referenced tariff. These proposed revised tariff pages contain increased rates for residential and commercial garbage collection services. The requested rate increase is necessary to comply with the Grant County Resolution No. 20-089 passed by the Grant County Board of Commissioners on November 3, 2020. This resolution reflects an increase in disposal fees from \$27.76 to \$47.62 to become effective on March 1, 2021. The increased rates, if approved by the commission, would increase Company revenue by approximately \$69,000, and residential and commercial garbage rates by 5.6%. The effective date of the proposed tariff revisions is March 1, 2021.

Also, enclosed for your review are our accounting workpapers and Resolution No. 20-089. Upon approval by the Commission, affected customers will be notified of this rate change on their next regularly scheduled billing.
