Re: Trilogy MedWaste West, LLC Permanent Application for Solid Waste Certificate Portion Transfer

Dear Mr. Johnson:

Enclosed for your review and processing is a Joint Application for transfer of a Portion of Certificate G-237 from Waste Management of Washington, Inc. d/b/a WM Healthcare Solutions to Trilogy MedWaste West, LLC. This application requests the transfer of only the portion of G-237 providing for: "Solid Waste consisting of biohazardous or biomedical wastes in the State of Washington." Also enclosed is the requisite Attachment B and accompanying exhibits to the application packet. Finally, we are providing the application fee of \$200 via credit card simultaneously through the Commission's web portal.

Please contact the undersigned for the transferee, or Andrew Kenefick, in-house counsel for the transferor, with any further questions or concerns on this matter.

Yours truly,

David W. Wiley
