RE: UG-210115 *Do Not Re-Docket*
Avista Utilities Tariff WN U-29, Schedule 173, Residential Debt Relief Program

Dear Mr. Johnson:

Attached for filing with the Washington Utilities and Transportation Commission (Commission or UTC) is an electronic copy of Avista Corporation's, dba Avista Utilities (Avista or the Company), replacement filing of its proposed tariff revisions in the above-referenced docket. In its original filing, the incorrect date was listed for both the effective date and the distribution date for the Automatic Grant; these dates have since been corrected to the intended April 1, 2021. As such, the Company requests that the original filing be replaced, in its entirety, with the documents provided herein.

If you have any questions regarding this filing, please contact Jaime Majure at (509) 495-7839 or jaime.majure@avistacorp.com.

Sincerely,

/s/ Shawn Bonfield
