COMMISSION

Portal Express Services hereby requests an exemption to rule WAC 480-14-250(1) .

Reason for this request is on the basis of a lack of insurance companies that would cover us under the liability demands stated in the rule. Our agent Dennis has not been able to find a company that is willing to provide such coverage. Portal Express Services being younger than 2 Years is not deemed old enough by many insurance companies. And others simply refuse to offer us the insurance needed. We request this Exemption not permanently but Temporarily until we find a company that will insure us. In the meantime, we still hold the Insurance previously provided. Below is the contact information to our insurance agent. please let us know if there are any other proofs or details, we need to submit for this exemption to be approved.

If we are not approved for an Exemption we will face the Hardship of shutting down our business and losing all of our clients until our company is deemed old enough by insurance companies.

Here is our agent. (also included in this email CC)
