**Re: UG-210482 - Schedule C—Miscellaneous Charges**

On June 28, 2021, Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), filed with the Washington Utilities and Transportation Commission (Commission) Advice No. 21-03 proposing revisions to its Tariff WN U-6 Schedule C. Since the initial filing, Governor Jay Inslee has issued Proclamation 20-23.16, extending the disconnection moratorium through September 30, 2021. NW Natural hereby revises its tariff sheet to reflect the latest Proclamation that references the September 30, 2021 date in compliance with Appendix A to Order 04 in docket U-200281.

The tariff page filed on June 28, 2021 is replaced in its entirety. NW Natural maintains its requested effective date of August 1, 2021.

Respectfully submitted,
