To Whom it May Concern,

I am respectfully asking for an exemption to rule WAC.480-14-250(1)(a) to accept Prime Insurance Company as an unauthorized company that is not listed with the WUTC as auto liability insurance provider.

I hereby formally filing a petition to request an exemption from the State of WUTC's insurance requirements and asking WUTC to accept placement of our auto liability insurance with the limits of \$750,000 with Non-admitted insurer Prime Insurance Company.

The reason I am filing this petition is due to there being no other insurance coverage available for my company.
