**Re: Notice of Intent to Send to Collections, DG-210914**

Dear Sir or Madam:

As you are aware, on December 21, 2021, the Utilities and Transportation Commission issued a penalty assessment against Terrain Seattle Co. in the amount of \$1,000 for violations of the Commission's dig laws. The penalty was due 15 days after the company's receipt of that notice. On February 10, 2022, a Final Notice was sent to Terrain Seattle Co. in the amount of \$1,000, which was due on receipt. To date, the Commission has not received the balance due.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You will likely incur additional expenses and fees, including costs of collection, attorney's fees, and interest, which will be added to your \$1,000 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

/s/ *Jeff Roberson*, WSBA No. 45550
