RE: Request for revisions and additions to Time Schedule No. 36, Pages 2, 3, 4 and 5, for Lake Chelan Boat Company, Certificate No. 34.

To Whom It May Concern,

Lake Chelan Boat Company is requesting the following changes and additions to its time schedules:

**12<sup>th</sup> Revised Page 2**

Table No 1: Extend service on Fridays and Sundays by two weekends in June and in September after Labor Day, and adding a third run day in July and August.

**11<sup>th</sup> Revised Page 3**

Table No. 4 – Removing Friday service the 1<sup>st</sup> two weekends in October. This would cut 2 run days, due to low ridership. Also removing Wednesday in July and August, but only to set a new schedule for this day only, see Page 5 table 8.

**2<sup>nd</sup> Revised Page 4**

Table No. 5 and 6 – Reducing the number of days we run one-way trips. The timeframes removed are added back in as roundtrip days Table 1 on Page 2.

**Original Page 5**

Table No. 7 – Extends service by adding an additional run 3 days per week in July and August.

Table No. 8 – Adjusts schedule on Wednesdays in July and August, making the return trip earlier, to allow time for maintenance if needed.

Being submitted with this transmittal letter is the 12<sup>th</sup> Revised Page 2, and the 11<sup>th</sup> Revised Page 3, 2<sup>nd</sup> Revised Page 4 and Original Page 5 along with the required “Notice to the Public” letter that will be posted in the main office, on the vessels sailing, on the website, and distributed by other social media and electronic means.

## **Public Notice**

**The following requests have been submitted to the Washington Utilities & Transportation Commission for their approval.**

To whom it may concern:

November 24, 2021

This notice is to inform you that Lake Chelan Boat Company has submitted a request to the Washington Utilities & Transportation Commission for the following time schedule changes:

- \* Adjusting the Lady of the Lake service on Fridays to a normal up and back run, to include the first two weekends in June and September after Labor Day through September 30, by removing the Uplake only on Fridays, and Downlake only on Saturdays, during this timeframe.
- \* Extend the Lady of the Lake service to add back Wednesday service in July and August.
- \* Extend the Lady Liberty service by adding an additional run to Friday, Saturday and Sunday in July and August.
- \* Adjusting the Lady Liberty Wednesday schedule in July and August to a morning run up and back, to allow time for maintenance.
- \* Delete Friday Lady Liberty service the first two weekends in October. This cuts 2 run days of service, which had low ridership.

Lake Chelan Boat Company will continue to adjust to provide the best run schedules and safest public transportation on Lake Chelan. Decisions will continue to be made based on essential travel, supply needs, and the safety of passengers and crew.
