RE: Revised Petition of Avista Corporation for an Order Authorizing Deferral of Costs Associated with the Company's Investment in the Turner Energy Storage System.

Dear Ms. Maxwell,

Enclosed for electronic filing with the Commission is Avista's Revised Petition for an Order Authorizing Deferral of Costs Associated with the Company's Investment in the Turner Energy Storage System.

The revisions are based on discussions between Avista and Commission Staff. In particular, Avista has agreed to remove interest from our request, as well as any site restoration costs described in the original petition.

Please direct any question regarding this filing to me at (509) 495-8620 or pat.ehrbar@avistacorp.com.

Sincerely,

Patrick Ehrbar
