RE: Tariff Submittal, Tariff Number 10, Harold LeMay Enterprises, Inc. d/b/a City Sanitary, Joe's Refuse, White Pass Garbage, Certificate Number G-98 – Item 230 Disposal Pass-through Increase

Dear Mr. King:

Our company has been notified that the tipping fee in Lewis County will increase from \$90.00 to \$100.00 per ton, a 11.11% increase, effective February 1, 2022. We are requesting to increase 'Item 230 – Disposal Fees' with this filing. All other rates will be increased in a subsequent filing. We project this will increase revenue and expense for drop box service by approximately \$68,400 for a 12-month period. There are approximately 100 drop box customers affected by this change.

The last general rate increase approved by the Commission was effective September 1, 2021.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the new taxes will go into effect on February 1, 2022. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.

If you have any questions regarding this filing, please contact me at (360) 695-4923 or via email at Heather.Garland@WasteConnections.com.

Sincerely,

Heather Garland  
Pricing Manager
