Re: Inland Telephone Company – First Revised Sheet No. 17 Canceling Original
Sheet No. 17; First Revised Sheet No. 120 Canceling Original Sheet No. 120

Dear Ms. Maxwell:

The purpose of this filing is to provide a definition of what constitutes an off premise extension. There is no change to any rate. There is no material effect on the company's revenues.

A customer notice has been sent to all customers that subscribe to an off premise extension so that they are aware of the clarification being offered for the tariff. There are 37 customers that have an off premise extension.

Sincerely,

RICHARD A. FINNIGAN
