Item 100 -- Residential Service -- Monthly Rates (continued from previous page)

Note 4: Customers will be charged for service requested even if fewer units are picked up on a particular trip. No credit will be given for partially filled cans. No credit will be given if customer fails to set receptacles out for collection.

Note 5: For customers on automated service routes: The company will assess roll-out charges where, due to circumstances outside the control of the driver, the driver is required to move an automated cart or toter more than \_\_\_\_\_ feet in order to reach the truck. The charge for this roll-out service is: \$ n/a per cart or toter, per pickup.

Note 6: The charge for an occasional extra residential bag, can, unit, toter, mini-can, or micro-mini-can on a regular pickup is:

| Type of receptacle    | Rate per receptacle per pickup |
|-----------------------|--------------------------------|
| 32-gallon can or unit | \$4.16 (A)                     |
| Mini-can              |                                |
| Micro-minican         |                                |
| 60-gallon toter       |                                |
| 90-gallon toter       |                                |
| Bag                   | \$4.16 (A)                     |
|                       |                                |
|                       |                                |

Note 7: Customers may request no more than one pickup per month, on an "on call" basis, at \$ n/a per can/unit. Service will be rendered on the normal scheduled pickup day for the area in which the customer resides. Note: If customer requires service to be provided on other than normal scheduled pickup day, rates for special pickups will apply.

Note 8: In addition to Bear Proof cart rental fees in previous page, a rate of \$3.65 (A) will be added per month for an unlocking charge. Should a customer supply their own bear cart this fee still applies and customer owned cans are subject to a size maximum equivalent to a 32 gallon toter as that is the largest size that can be safely manually tipped.

- (c) When a customer orders a single, special, or emergency pickup, or when other items in this tariff refer to this item.
