Dear Ms. Maxwell:

Enclosed are revised page 2 and Special Fuel Surcharge Supplement No. 1 to the above-referenced tariff. The purpose of these tariff revisions is to reflect the significant increase in diesel fuel prices since our last general rate case in March 2019. Enclosed for your review are our accounting work papers. Also, enclosed is an LSN requesting that the surcharge go into effect on August 1, 2022. Customers will be notified of the fuel surcharge as a message on their first invoice after the tariff is approved.
