RE: Commodity Price Adjustment for Tariff Number 13, Certificate Number G-98, Harbor Disposal and Eastern Grays Harbor Disposal

Dear Ms. Maxwell:

Attached please find revised pages for Tariff Number 13, as well as supporting documentation for the commodity price adjustment. Tariff pages 1, 20 and 20A are affected by this change.

The residential adjustment will change from a credit of (\$0.52) to a debit of \$0.79, a change of \$1.31 per customer, per month. There are approximately 7,500 customers affected by this change.

Harbor Disposal and Eastern Grays Harbor Disposal do not currently participate in any county revenue share program.

If approved by the Washington Utilities and Transportation Commission, the revised commodity credit will go into effect on January 1, 2023.

Pursuant to WAC 480-70-271(2)(a)(vi), affected customers will receive notification of the change on the first billing reflecting the revised rates.

If you have any questions regarding these revisions, please contact me at (360) 695-4923 or via email at Heather.Garland@WasteConnections.com.

Sincerely,

Heather Garland
