<p>In the Matter of the Cancellation of the Charter and Excursion Carrier Certificate Held by</p> <p>CRESCENT BAR RESORTS INC.,</p> <p>for Failure to File an Annual Report and pay Regulatory Fees</p>	<p>DOCKET TE-220918</p> <p>ORDER 01</p> <p>CANCELLING CERTIFICATE</p>
---	---

BACKGROUND

- 1 Charter and excursion carriers regulated by the Washington Utilities and Transportation Commission (Commission) must file annual reports and pay regulatory fees annually pursuant to Revised Code of Washington (RCW) 81.04.080, RCW 81.70. 350, Washington Administrative Code (WAC) 480-30-071(2), and WAC 480-30-076(2). Under the authority of RCW 81.04.080, RCW 81.70.250, and WAC 480-30-171(2), the Commission may cancel a charter or excursion carrier’s certificate for failure to file an annual report or pay a regulatory fee.
- 2 On December 22, 2022, the Commission served Crescent Bar Resorts Inc. (Company) with a Notice of Intent to Cancel Certification as a Charter and Excursion Carrier and Opportunity to Request a Hearing (Notice) for failure to file 2021 annual reports and/or pay 2022 regulatory fees.¹ The Notice informed the Company that the Commission would cancel the Company’s certificates without further notice unless the Company filed its delinquent annual report and paid its delinquent regulatory fee, or requested a hearing to demonstrate why its certificate should not be cancelled within 30 days of the date the Notice was served.²
- 3 The Company failed to submit a 2021 annual report or pay its 2022 regulatory fee to the Commission, and the Commission did not receive a request for hearing from the Company.

¹ Crescent Bar Resorts Inc. holds authority to operate as a charter and excursion carrier under certificate CH068306.

² Under WAC 480-07-150(4), the Commission may serve documents electronically except where proof of service is required by law. The Commission’s Final Order adopting changes to WAC 480-07 accepted Staff’s position that electronic service is acceptable for commencing adjudicative proceedings against regulated companies. *See* General Order 588 – Final Adoption Order – WSR 17-06-051, Docket A-130355 ¶16 and Appendix A (March 2, 2017).

DISCUSSION AND DECISION

- 4 The Commission exercises its discretion to cancel the Company's charter and excursion carrier certificate. The Commission's ultimate goal in any enforcement action is to ensure compliance with the statutes and rules that the Commission administers. Pursuant to RCW 81.04.080, RCW 81.70.350, WAC 480-30-071(2), and WAC 480-30-076(2), charter and excursion carriers must submit annual reports and regulatory fees to the Commission by May 1 of each year. The Company did not make the requisite submissions. Accordingly, the Commission notified the Company that its certificate would be cancelled unless the Company attained compliance or requested a hearing within 30 days. The Companies did not come into compliance or otherwise respond.
- 5 We find that each Company's failure to file its annual report and pay its regulatory fee is a willful violation of the laws and rules the Commission is charged with enforcing. WAC 480-30-171 provides that the Commission may cancel a certificate for cause, which includes failure to file an annual report or pay required regulatory fees. The failure of the Company to file annual reports and pay regulatory fees is cause to cancel the Company's certificate.

FINDINGS AND CONCLUSIONS

- 6 (1) The Commission is an agency of the State of Washington with the authority to regulate charter and excursion carriers as defined in RCW 81.70.
- 7 (2) The Company is a public service company as defined in RCW 81.04.010 and holds authority from the Commission to operate as a charter and excursion carrier.
- 8 (3) On December 22, 2022, the Commission notified the Company that its certificate to operate as a charter and excursion carrier would be cancelled if the Company failed to file its annual report and pay regulatory fees within 30 days. The Commission also notified the Company that it could request a hearing to contest cancellation of their certificates.
- 9 (4) The Company has not filed an annual report or paid regulatory fees, which were due May 1, 2022.
- 10 (5) The Commission provided notice of its intent to cancel the Company's certificate and notice of the opportunity for a hearing, but the Company did not request a hearing.
- 11 (6) Under WAC 480-30-171(2), the Commission may cancel a charter and excursion carrier's certificate for cause, including failure to file an annual report or pay required regulatory fees.

- 12 (7) The failure of the Company to file its annual report and pay its regulatory fee due May 1, 2022, constitutes cause to cancel its charter and excursion carrier certificate.
