LESS THAN STATUTORY NOTICE REQUESTED BY:

Company Name: Waste Management of Washington Certificate No. G- 237 UBI No. 601-415-286

Registered Trade Name(s) Waste Management of Skagit

Company proposes to change Tariff Number 19
(Tariff, time schedule, etc.)

Present provisions are: Rate changes fall under the 45 day filing requirements under WAC 480-70-266

Proposed changes are: We are requesting an exemption for the 45 day period to have the new CDL disposal rate adjusted on our tariff. There was a clerical error when we submitted tariff pages last month for the new rates and this filing is to get those corrected. We also noted an error that needed adjustment related to 6 yard special pickup compactors in Snohomish county. The special pickup rate should be \$202.30 instead of \$102.30. We have no customers with this service currently.
