MAIL BASE : BType
SUBJECT : Exhibit B (PID) and Exhibit K (PAP) Filing for Removal in Washington
Notification Type : Contract,CMP,General
States : WA
Business Types : CLEC-Q

| | |
|-------------------------------|---|
| Announcement Date: | April 21, 2023 |
| Effective Date: | April 21, 2023 |
| Notification Number: | CMPR.CMPP.04.21.23.F.20308.PID_PAP_Removal_WA |
| Notification Category: | CMP; Contract; General |
| Target Audience: | CLEC-Q |
| Subject: | Exhibit B (PID) and Exhibit K (PAP) Filing for Removal in Washington |
| Disposition Level | 1 |

Please route this notice to those in your company who have responsibility for regulatory reporting.

This notification to CenturyLink's CLEC customers in the state of Washington is to provide advance notice of our intent to file for removal of the following exhibits from this states' interconnection agreements: Exhibit B - Performance Indicator Definitions (PID) and Exhibit K – Performance Assurance Plan (PAP). We anticipate filing with the state's commission by, or around, June 1, 2023.

CenturyLink continually analyzes declining/low volumes, the changing communications business, and current regulatory environment against the original intent of these metrics. At this point volumes are so low, continue to decline, and communications with CLECs about the measurements are so rare that we believe the PAP and PIDs no longer serve a useful function.

CenturyLink has either met with or attempted to meet with CLECs that still have the most volume of services measured by the PID or PAP in Washington to address any issues or concerns and have received no objection from them to this proposed action and no plans to intervene.

If you have any questions, concerns, or would like to discuss this notice, please contact Nancy Tangeman at Nancy.Tangeman@lumen.com by May 21, 2023. You may also contact the Washington Utilities and Transportation Commission. The WUTC designated public affairs officer is John Cupp (john.cupp@utc.wa.gov; 360.664.1113).

You may also refer to prior Dockets UT-131949 and UT-200114 for more information about the PID/PAP in Washington.

CenturyLink appreciates your business, and we look forward to our continued relationship.

Sincerely,

CenturyLink

Please contact the CMP Manager by e-mail at cmpcr@CenturyLink.com immediately if this change alters your operating procedures and requires CenturyLink's assistance to resolve. Please include the Notification Number or Subject line for reference.

Sincerely,

Qwest Corporation dba CenturyLink QC
