

## Sunshine Disposal & Recycling

September 5, 2023

Amanda Maxwell, Executive Director and Secretary  
Washington Utilities and Transportation Commission  
PO Box 47250  
Olympia, WA 98504-4720

Dear Ms. Maxwell:

Enclosed are proposed revisions to Tariff #4 for Torre Refuse & Recycling, LLC (G-260). The purpose of this filing is to add the disposal rate for asbestos contaminated materials due to the recent wildfires in Spokane County. We request LSN handling with rates to become effective September 15, 2023.

Also enclosed is the notice from WM demonstrating the disposal rate of \$235.36 per ton. That rate was calculated using the base rate of \$212.53 plus a 10.59% fuel surcharge plus the \$0.32 Health District fee.

If I can be of any further assistance, please contact me at 509-822-4983 or 509-252-3500 (fax) or at [johnl@sunshinedisposal.com](mailto:johnl@sunshinedisposal.com).

Respectfully,

A handwritten signature in blue ink, appearing to read 'John Lloyd', is written over a light blue horizontal line.
