RE: Tariff Submittal, Tariff Number 24, for Murrey's Disposal Co., Inc./Olympic Disposal, G-9. –
Corrected Dump Filing Pages

Dear Ms. Hunter:

Please find attached tariff filing to correct rates that were inadvertently not updated in TG-231007. The calculated rates were reviewed and approved by staff however we missed getting these rates updated in the Tariff on page 22A, Item 100. This filing is to correct those rates approved by Staff as a result of Tip Fee increase effective January 1, 2024.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276. The company also requests less than statutory notice allowing the customers to be noticed on the first bill as previously allowed per WAC 480-70-271(2)(a). If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective on February 1, 2024. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.

If you have any questions regarding this filing, please contact me at (360) 566.6925, or via email at brian.vandenburg@WasteConnections.com.

Sincerely,

Brian Vandenburg
