RE: Tariff Submittal, Tariff Number 13, Harold LeMay Enterprises, Inc. dba Harbor Disposal and Eastern Grays Harbor Disposal, G-98

Dear Ms. Hunter:

Attached please find revised pages for Tariff Number 13 to add unlocking/unlatching service for residential customers. This filing also seeks to correct drive in rates on Item 80 that were inadvertently reported on prior filings.

If approved by the Washington Utilities and Transportation Commission, the revised commodity adjustment will go into effect on February 1, 2024.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276 for customer notification and WAC 480-70-262(2) for Commission notification. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective on February 1, 2024. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.

If you have any questions regarding this filing, please contact me at (360) 448-6954, or at brian.vandenburg@wasteconnections.com.

Sincerely,

Brian Vandenburg
