RE: Tariff Submittal, Tariff Number 24, for Murrey's Disposal Co., Inc./Olympic Disposal, G-9. – Item 150 Loose Item Increase

Dear Mr. Killip:

Please find attached tariff filing to increase the Loose Material rate on Page 28A, Item 150 as a result of a tip fee increase that went into effect on January 1, 2024. The calculation and rate was reviewed and approved by staff in TG-231007.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276. The company also requests less than statutory notice allowing the customers to be noticed on the first bill as previously allowed per WAC 480-70-271(2)(a). If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective on March 1, 2024. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.

If you have any questions regarding this filing, please contact me at (360) 566.6925, or via email at brian.vandenburg@WasteConnections.com.

Sincerely,

Brian Vandenburg
