Dear Ms. Killip:

Our company has been notified that several items listed on Item 230 will increase March 1, 2024. The company is filing for the rates to go in effect on the Tariff on April 1, 2024.

The company is also adding disposal rates for tires with rims and tires without rims.

The last general rate increase approved by the Commission was effective February 1, 2023.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276 for the filing and the Customer Letter Notification. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective on April 1, 2024. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.

If you have any questions regarding this filing, please contact Brian Vandenburg at (360) 448-6954, or via e-mail at brian.vandenburg@WasteConnections.com.

Sincerely,
