Hi Guys,

As described in my email January 19, Orcas Recycling Services has asked San Juan County for approval to adjust our tipping fees. Approval for those changes came on 03/12/2024.

I know that you guys have a grace period before the price changes go into effect for you—I believe that is 90 days.

We are willing to let the clock start at the end of this month; granting you an additional six weeks of time to adjust. So as of August 1 2024 your tipping fee for MSW will go from \$260/ton to \$290/ton.

Thanks so much for your continuing business. Please let me know if you have questions or concerns.

Best regards,
