The rate adjustment assessed for the Low-Income Rate Assistance Program (LIRAP) is applicable to all retail customers for charges for electric energy sold and to the flat rate charges for Company-owned or Customer-owned Street Lighting and Area Lighting Service. Income-qualified is defined as customers with a gross household income, inclusive of deductions in alignment with the Low-Income Home Energy Assistance Program (LIHEAP), at or below 200% Federal Poverty Level (FPL) or 80% Area Median Income (AMI), whichever is greater.

LOW-INCOME RATE ASSISTANCE PROGRAM – Continued

ANNUAL TRUE-UP:

On or before September 1 each year, if annual program revenues need to be adjusted, the Company will file to adjust rates collected for the necessary program revenue with an effective date of November 1.

LIRAP COMPONENTS:

The following bill assistance options may be available for each household based on the income level declared by the Customer:

(T)

Tier	Household Income	Bill Discount	Arrearage Assistance
1	Zero to 5% FPL	94%	Arrearage Forgiveness
2	6 to 50% FPL	75%	
3	51 to 100% FPL	35%	Arrearage Management Program (AMP)
4	101 to 150% FPL	20%	
5	151-200% FPL or 80% AMI	15%	

Bill Discount – Available to all income-qualified customers, as defined above. The Bill Discount is designed to lower a household’s energy burden to 6 percent or less of annual household income, and will be applied to a participating Customer’s monthly net bill, after all other energy assistance has been applied.

Arrearage Management Plan (AMP) – Available to Customers with incomes at 51% to 200% FPL or 80% AMI, whichever is greater. Reduces Customer past due balance, or “arrearage,” owed over a 12-month period by providing an incentive for regular, on-time payment of their current bill plus a portion of their past due balance. Maximum annual benefit of \$2,500; exceptions to maximum benefit may be made for extreme, extenuating Customer situations, as determined in collaboration with the Company’s EAAG, not to exceed \$5,000.

Arrearage Forgiveness: Available to Customers with incomes at 0-50% FPL. Provides forgiveness of past due balances, not to exceed a maximum annual benefit of \$2,500; exceptions to maximum benefit may be made for extreme, extenuating Customer situations, as determined in collaboration with the Company’s EAAG, not to exceed \$5,000.
