**Re: SQF, LLC Registration and Competitive Classification of Telecommunications Companies**

Dear Executive Director Killip:

SQF, LLC (the "Company" or "SQF") notifies the Commission of the Company's filing of the attached Registration and Competitive Classification. The Company was previously authorized by the Commission to provide competitive telecommunications services in Docket UT-160820. On December 13, 2024, the Commission, in Docket UT-240591, revoked SQF's authorization for failure to submit an annual report and/or pay applicable fees. On February 19, 2025, SQF submitted its annual report (a copy of which is included in the application) and paid all outstanding required fees.

Please note that the financial information and annual report of the Company, attached as **Attachment A** and **Attachment B**, are confidential. Therefore, confidential and public (redacted) versions of this filing are being submitted. **Attachment A** and **Attachment B** contain valuable commercial and financial information that is protected by RCW 80.04.095 and WAC 480-07-160. SQF, therefore, requests that the Commission treat **Attachment A** and **Attachment B** as confidential and not release it to the public.
