**RE: Advice No. 2025-17
Puget Sound Energy’s Electric Tariff Revision**

Dear Executive Director Killip:

Pursuant to RCW 80.28.060 and WAC 480-80-101 and -105, please find enclosed for filing the following proposed revisions to the WN U-60, tariff for electric service of Puget Sound Energy (“PSE” or the “Company”):

3 rd Revision	Sheet No. 141TEP-A	Transportation Electrification Plan Adjustment Rider (Continued)
2 nd Revision	Sheet No. 141TEP-B	Transportation Electrification Plan Adjustment Rider (Continued)

The purpose of this tariff filing is to implement changes to rates under Schedule 141TEP – Transportation Electrification Plan Adjustment Rider¹, which allows PSE to recover the costs of its Commission-acknowledged Transportation Electrification Plan (“TEP”)². Such costs will include return on rate base, depreciation, and O&M expenses to enable the TEP and are included in the implementation of the of products and services such as those offered under Schedule 552 Electric Vehicle Residential Charging Products and Services and Schedule 554 Electric Vehicle Low Income Transportation Service. In addition, a rate is included for a new tariff Schedule 558 Electric Vehicle Fleet Charging General Service. PSE plans to propose the new tariff schedule in a filing made prior to the Commission’s review of this electric Schedule 141TEP docket.

Overall, this proposal represents a revenue requirement increase of \$4.6 million. This increase is due primarily to a reduction in the true-up of rates in this schedule from a payable of \$3.2 million in last year’s filing to a payable of \$0.8 million in this year’s filing. The average increase for all

¹ Established in compliance with the Commission’s Order 24/10 in consolidated Dockets UE-220066, UG-220067 and UG-210918.

² Acknowledged on August 12, 2021, under Docket UE-210191. Acknowledgement letter: <https://apiproxy.utc.wa.gov/cases/GetDocument?docID=91&year=2021&docketNumber=210191>. As noted in PSE’s original cover letter within Docket UE-210191, 25% of the original TEP budget was dedicated to support disadvantaged communities and income eligible customers.

customers affected by this tariff change represents a 0.14 percent increase in overall bills. A typical residential customer on Schedule 7 using 800 kWh per month would experience an increase of \$0.18 per month or 0.14 percent. Bill assistance programs such as PSE's Bill Discount Rate, PSE Home Energy Lifeline Program ("HELP"), the Low Income Home Energy Assistance Program ("LIHEAP"), and the Salvation Army Warm Home Fund are available to qualified customers who need help with their energy bills. PSE customers can go to pse.com or call 1-888-225-5773 to learn if they are eligible. Payment plans are also available.

The tariff sheets described herein reflect an issue date of March 28, 2025, and effective date of May 1, 2025. Posting of proposed tariff changes, as required by law and the Commission's rules and regulations, is being completed through web, telephone and mail access in accordance with WAC 480-100-193. Notice to the public under the provisions of WAC 480-100-194 will be provided within 30 days of the May 1, 2025, effective date.

Please contact Veronica Martin at veronica.martin@pse.com for additional information about this filing. If you have any other questions, please contact me at birud.jhaveri@pse.com.

Sincerely,

/s/ Birud D. Jhaveri
