Tariff No. 11 1 Original Page No. 14

Company Name/Permit Number: Harold LeMay Enterprises Inc. G-98
Registered Trade Name(s) City Sanitary, Joe's Refuse, White Pass Garbage

Rates below apply in the following service area: Lewis County

Item 40 -- Material Requiring Special Equipment, Precautions, or Disposal

Transportation of solid waste requiring special equipment or precautions in handling or disposal will be subject to time rates named in Item 160, or to other specific rates contained in this tariff.

Companies must make every effort to be aware of the commodities that require special handling at the disposal sites named in the company's tariffs. The company shall maintain a list of those commodities and make it available for public inspection at the company's office.

Item 45 -- Material Requiring Special Testing and/or Analysis

When a solid waste collection company or disposal facility determines that testing and/or analysis of solid waste is required to determine whether dangerous or prohibited substances are present, the actual cost for such testing and/or analysis will be paid by the customer. The company must provide the customer with a copy of any bill or invoice for costs incurred for testing and/or analysis and also must retain a copy in the company's file for at least three years. Those costs shall be passed through to the customer without markup. The company must maintain records of time spent to accomplish the special testing and/or analysis, and may bill the customer for that time under the provisions of Item 160 (Time Rates).

Item 50 -- Returned Check Charges

If a customer pays with a check, and the customer's bank refuses to honor that check, the customer will be assessed a returned check charge in the amount of \$24.47 (A).

Item 105 -- Multi-family Service

Rates below apply in the following service area: Thurston County Below 142nd Ave

Rates in this item will apply to duplexes, apartment complexes containing 2 or more units, mobile homes and courts, condominiums, etc., where service is billed and paid by the residential property owner or manager.

Units and frequency of service:

Units of eight or fewer residences will be served with wheeled approximately 96 gallon carts which will be collected bi-weekly except for glass which will be picked up in a customer-provided container and collected every four weeks. Complexes will receive one cart per residence unless otherwise requested by the property owner/manager.

Units of greater than eight residences will be serviced with containers ranging from approximately 96 gallons to two yard containers with glass collected in separate containers. The company will coordinate with the property owner/manager to provide adequate capacity to collect available material. The hauler may provide weekly collection of deemed necessary by both the landlord and hauler.

Materials to be collected are as follows:

Cardboard: corrugated cardboard and Kraft paper, including unbleached, unwaxed paper made with a ruffled ("corrugated") inner liner.

Metal Cans: tin-coated steel cans and aluminum cans, excluding aerosol spray cans.

Mixed-waste paper: clean and dry paper, including: glossy paper; magazines; catalogs; phone books; cards; laser-printed white ledger paper; window envelopes; paper with adhesive labels; paper bags; non-metallic wrapping paper; packing paper; glossy advertising paper; chipboard, such as cereal and shoe boxes; juice boxes; and milk-style cartons for the refrigerated variety (non-refrigerated products contain aluminum linings).

Newspaper: printed ground wood newsprint, including glossy advertisements and supplemental magazines that are delivered with the newspaper.

Plastics: Round dairy containers, such as yogurt and margarine tubs. Bottles and jars #1-7: primarily polyethylene terephthalate (PET - #1), such as soft drink, water, and salad dressing bottles; and high-density polyethylene (HDPE- #2) such as milk, shampoo, or laundry detergent bottles; but including any bottle with a neck narrower than its base.

Glass: bottles and jars of all colors.

Rates:

Rates per available residential unit: \$7.65 (A) per month. Additionally, these customers will receive a commodity price adjustment (cpa) of \$1.18 debit per month.

Redelivery charges in Item 52 will apply if container(s) are removed due to contamination or if the customer requests a different size container(s) more than one time after program implementation.

Item 160 -- Time Rates

When time rates apply. Time rates named in this Item apply:

- (a) When material must be taken to a special site for disposal;
- (b) When a company's equipment must wait at, or return to, a customer's site to provide scheduled service due to no disability, fault, or negligence on the part of the company. Actual waiting time or time taken in returning to the site will be charged for; or
- (c) When a customer orders a single, special, or emergency pickup, or when other items in this tariff refer to this item.

How rates are recorded and charged. Time must be recorded and charged for to the nearest increment of 15 minutes. Time rates apply for the period from the time the company's vehicle leaves the company's terminal until it returns to the terminal, excluding interruptions. An interruption is a situation causing stoppage of service that is in the control of the company and not in the control of the customer. Examples include: coffee breaks, lunch breaks, breakdown of equipment, and similar occurrences.
