RE: 2025 B&O tax increase – G12 - Rabanco Ltd. (dba Tri-County Disposal, Allied Waste Services of Klickitat County, Rabanco Recycling)

Dear Jeff Killip,

Enclosed is the proposed Tariff No. 8 of G-12 - Rabanco Ltd. (dba Tri-County Disposal, Allied Waste Services of Klickitat County, Rabanco Recycling), the purpose of which is a B&O tax increase request.

As you may know, the B&O tax will increase from 1.75% to 2.1% effective October 1, 2025. The attached proposed tariff pages and supporting documents propose an increase in rates to pass the expense to customers.

If approved by the Commission, the overall revenue requirement increase reflected in this filing would approximate .33% or \$10,910 and would be effective November 1, 2025.

The proposed rates impact services provided as follows:

|          | % Revenue<br>Change | \$ Revenue<br>Change | Estimated<br>Rate Impacts |
|----------|---------------------|----------------------|---------------------------|
| Garbage: | +.33%               | \$10,910             | +.38%                     |

We are requesting that LSN be granted for this filing. If approved, customers will be notified of the rate increase on the first bill after the final commission decision, as required by WAC 480-70-271(2).
