On September 11, 1995, Cascade Natural Gas Corporation (Cascade) filed with the Commission a special contract for service to Boise Cascade Corporation (Boise). The stated effective date of the special contract is upon regulatory approval.

The purpose of this filing is to implement a special contract with Boise for transportation service to Boise's plant located near Wallula, Washington.

The Commission suspended the filing on October 11, 1995, to provide staff and Cascade an opportunity to further investigate the rates, terms, and conditions of the contract. The investigation revealed that the contract is consistent with the requirements set forth under WAC 480-80-335.

FINDINGS

The Commission finds that the special contract filed with Boise Cascade Corporation by Cascade Natural Gas Corporation is in compliance with WAC 480-80-335. The Commission finds that the suspension should be dismissed and the special contract should become effective November 9, 1995.

ORDER

THE COMMISSION THEREFORE ORDERS That the special contract filed herein by Cascade Natural Gas Corporation shall become effective November 9, 1995 for a primary term of four years from the date of regulatory approval, as specified in the contract.

Dated at Olympia, Washington, and effective this 8th day of November, 1995.
