On March 7, 1997, Cascade Natural Gas Corporation, filed with the Commission under its Advice No. W97-03-01, revisions to its currently effective Tariff WN U-3, designated as Rule 9A.

It appearing that the filing herein would restructure rates for gas service rendered by respondent and that the rights and interest of the public might be injuriously affected thereby, the Commission, March 26, 1997, entered a Complaint and Order Suspending Tariff Revision.

The Commission is now in receipt of a letter dated April 23, 1997, whereby respondent requests that the tariff revision filed in this docket be withdrawn.

From all indications, it appears to be in the public interest to accommodate the request and to concurrently dismiss the Complaint and Order Suspending Tariff Revision.
